

## Displace Yourself Theatre

### Organisation details

Displace Yourself Theatre are a touring theatre company based in Bradford. They are a unique charity that work with displaced and socially excluded people to promote social equality through the arts. Their distinctive model addresses the barriers preventing people from accessing the arts and ensures inclusion for all, promoting a real feel of community and enhancing wellbeing, whilst having fun!

They have been working hard to deliver shows, events and creative workshops in Bradford for Bradford 2025. This year they are debuting a special touring performance in Bradford, with a view to tour nationally next year and internationally the following year! Their tour of Bradford will see their greatly anticipated secret show put on throughout popular and accessible locations in Bradford, including City Park and Odsal Stadium.

### Project Details

Accessing Lorry Tractor Unit:

Their touring show will move on a lorry throughout Bradford. They already have a lorry trailer, which will serve as the stage for their performance. They are looking for a lorry driver and temporary access to a lorry tractor unit to carry their brilliant show from location to location. This will be in the first weekend of September, hosting shows on the 5th, 6th and 7th September. Support needed:

- Lorry driver and access to a lorry tractor unit throughout first weekend of September (5th, 6th & 7th)

### Number of volunteers

We are open to working with a wide range of volunteers who are able to help us with the project above.
