

Windhill Community Centre

Organisation details

Windhill is well used by community groups and individuals from Windhill and further afield are using the centre as a place for learning, networking, fitness, volunteering and bringing people together to transform neighbourhoods and businesses, serving approx. 250 people per week. This will include ad hoc activities during Bradford 2025

Project Details

The centre has not been redecorated in 4 years and it shows in this busy center. This projects includes decorating various spaces throughout the centre.

Below are 'Site Pictures' of the spaces mentioned:

1. Community Cafe
2. Toilets
3. Corridors

In each room we will complete the following:

- Sanding down doors and skirting boards
- Applying 2x coats to walls (possibly 3 in some areas)
- Glossing doors and skirting boards

We are also to build and install benches and small planters outside the centre

Date & Volunteer Number

We have arranged for this opportunity to take place on:

Friday 6th June

We are looking to recruit between 5 -15 volunteers

On-site support

On the day Participate will be providing a member of staff to support the volunteers. A trained first aider and first aid kit will be available during the challenge. A tools talk and health and safety briefing will be given by Participate at the beginning of the day.

Preparation

Volunteers will be undertaking painting activities and general DIY activities so are required to wear old and reasonably robust clothing that you will not mind getting paint on. We do offer paint overalls, although these do not guarantee no damage to clothing. Where personal protective equipment is required it will be provided.

Materials, tools and equipment to be provided by Participate

Participate will provide all tools and materials to complete the tasks identified.
