

MAPA - Bradford

Organisation details

MAPA Bradford is a community-focused charity based in West Bowling, dedicated to enriching the personal and social development of young people and the wider community. Through youth work and community arts, MAPA offers a safe and dynamic environment where individuals can express themselves creatively. Their services include youth clubs, study support, girls' groups, arts development, and a recording/music studio. Additionally, they provide alternative curriculum options, Saturday schools, and targeted support for African/Caribbean youth and Eastern European migrants. MAPA also offers facilities such as meeting rooms, workshops, exhibition spaces, and equipment hire. By fostering creative participation, MAPA empowers individuals to bring about positive change and social action within their communities.

Challenge Details

MAPA are keen to develop and renovate their indoor and outdoor spaces. This would include:

- Paint Main Hall
- Paint Reception
- Paint Meeting Room
- Paint Toilets
- Build raised beds
- Repaint shipping containers

Dates

MAPA are keen to engage a team of volunteers to complete the project before their Peoples Day celebration on Saturday 16th August. We welcome suggested dates before this date.

On-site support

On the day Participate will be providing a member of staff to support the volunteers. A trained first aider and first aid kit will be available during the challenge. A tools talk and health and safety briefing will be given by Participate at the beginning of the day. We will also share with you our completed Risk Assessment for your own records, once interest is submitted.

Preparation

Volunteers will be undertaking construction, gardening and painting activities and are required to wear old and reasonably robust clothing. Volunteers should pay particular attention to footwear wearing tough shoes or boots. This is a relatively low risk challenge and where personal protective equipment is required it will be provided. This will include latex free gloves to protect rings etc when painting. Please be aware if you are painting, you will get this on your clothing and will not wash out. Again we recommend wearing clothing you don't mind spoiling. If volunteers wish to bring their own gloves they are welcome to do so. This challenge is taking place outdoors and as such the volunteers should be prepared for inclement weather or sunshine.

Materials, tools and equipment to be provided by Participate

Participate will provide all tools and materials to complete the tasks identified.
