

Heaton Community Centre

Organisation & Challenge details

Heaton Community Centre (BD9) is eager to transform its run-down building into a welcoming space for local residents. As part of their plans, they're hosting a community event on 29th June, featuring an open-air cinema celebrating cultural heritage, life journeys, and intergenerational storytelling. The management group is now looking for a business team to help bring the centre to life with a fresh coat of paint before the big day.

Project Details

Redecorating will include: (Site Pictures below)

- Preparing surfaces
- Painting walls – 2x coats
- Painting doors – gloss
- Painting skirting boards – gloss

Date & Volunteer Number

To ensure this is completed before the event on the 29th July, we have identified the below date to complete the restoration.

Friday 27th July

We are looking to recruit teams between 10-20 volunteers

On-site support

On the day Participate will be providing a member of staff to support the volunteers. A trained first aider and first aid kit will be available during the challenge. A 'Tools Talk' and health and safety briefing will be given by Participate at the beginning of the day.

Preparation

Volunteers will be undertaking painting activities and are required to wear old and reasonably robust clothing that you will not mind getting paint on. We do offer paint overalls, although these do not guarantee no damage to clothing. We also require sensible sturdy footwear, avoiding heels and open toe footwear. Where personal protective equipment is required, it will be provided.

Materials, tools and equipment to be provided by Participate

Participate will be providing all tools and materials to complete this project
