

The Rockwell Centre

Organisation & Challenge details

The Rockwell Centre in BD10, formerly managed by the impactful Bloomin Buds Theatre, recently faced an operational challenge, leading to their difficult decision to step back despite their significant community support. Excitingly, the centre is poised to embark on a new chapter, soon reopening under fresh management. This revitalised initiative aims to continue serving the local community by providing a diverse array of supportive resources and engaging activities, ensuring the Rockwell Centre remains a valuable hub for the area.

Project Details

In preparation for the new chapter, we are looking for teams of volunteers to repaint the below areas:

- Main Entrance
- Hallways
- Office
- Toilets

Outside, the site is in need of a general tidy up, including building minibeast hotels and restoring existing structures.

Date & Volunteer Number

We have identified two days for this project to be delivered. In this instance we are looking for teams on all sizes to support us on any of the below dates:

- Thursday 7th August 2025
- Friday 8th August 2025

On-site support

On the day Participate will be providing a member of staff to support the volunteers. A trained first aider and first aid kit will be available during the challenge. A 'Tools Talk' and health and safety briefing will be given by Participate at the beginning of the day.

Preparation

Volunteers will be undertaking painting and gardening activities and are required to wear old and reasonably robust clothing that you will not mind getting paint on. We do offer paint overalls, although these do not guarantee no damage to clothing. We also require sensible sturdy footwear, avoiding heels and open toe footwear. Where personal protective equipment is required, it will be provided.

Materials, tools and equipment to be provided by Participate

Participate will be providing all tools and materials to complete this project
